Dear Charlie:

It was a pleasure speaking with you last evening. Per our discussion, please find a partial listing of our July 26th launch locations. I will forward updates to you upon receipt.

We anticipate an initial launch of 200 plus screens. "Take On Me" is a great video. I'd like to examine the markets where the piece is playing theatrically to see if there is any effect on record sales.

Let's speak soon. I hope we can get together while you are in New York. If not, I'll see you in Los Angeles the end of August.

Best regards,
